

Privacy Policy

Effective date:[2025-9-16]

About this Policy

[Lianghua Guan](“we”, “us”, or “our”)’s goal with this Privacy Policy is to provide a simple and straightforward explanation of what data we collect from and about you and how we use and share that information when you use the [Wheel of Eats Today](“App” or “Service”). We value transparency and want to provide you with a clear and concise description of how we treat your data. Please read this Policy carefully.

The Policy may be revised from time to time. If we make any updates or changes, we will post the new Policy on this page and update the effective date at the top of this Policy.

Contacting us

If you have any questions or complaints about this Policy, or about our privacy practices generally, you can contact us via email at [19532002110@163.com]

Collection of personal data

The following summarizes the categories of personal information we may collect:

- device identifiers (such as IDFA, IDFV for Android, GAID for IOS).
- the type, version, brand, language and operating system of device.
- email address.
- behavioral usage of the App.
- the type and operator of network (such as Mac address).

Purposes of collecting data

Generally, we use the data we collect for the purposes of:

- Provide our Service and support.
- Perform analytics in order to provide you with personalized experiences and improve business operations.
- Detect and prevent fraud.
- Comply with applicable laws that require us to collect this information.

How we share your data

We share your data with the following parties:

- With our data processors and other service providers, partners, agents or contractors in connection with the Service they perform for us.
- If we believe in good faith that disclosure is appropriate to comply with applicable law, regulation, or legal process (like a court order or subpoena).
- Between and among our current and future parents, affiliates, subsidiaries and other companies under common control or ownership.

How we protect your data

We have an information security program that includes administrative, technical, and physical measures that are designed to protect information within our company.

How long do we retain your data

The personal data we collect will be retained for as long as reasonably necessary for the purposes set out in this Policy and consistent with our retention policies, in accordance with applicable laws. When determining these retention policies, we take into account

the length of time personal data is required to be retained to provide the Service; satisfy legal and compliance obligations and for audit purposes.

Children's privacy

Our Service are not directed to children under 13 years old. We kindly request that children under 13 years old not provide data to us through our App.

Links to third party websites

The App may allow you to access or link to third-party websites. We provide such access or links only as a convenience and are not responsible for the content, products or services on or available from those resources or links displayed on such websites. You acknowledge sole responsibility for and assume all risk arising from your use of any third-party resources. Be sure to read third-party websites' privacy policy and terms of service before you access to or interact with them.

Your rights and choices

You have the rights to:

- Know what personal data we collect, use and disclose.
- Request that we amend, correct or delete your personal data.
- Obtain the personal data you provide in a structured, machine-readable format.
- Withdraw your consent at any time. The withdrawal of consent does not affect the lawfulness of processing based on consent before its withdrawal.
